Outreach

At this time, the Mustard Seed needs food items that don't need to be refrigerated that are high in protein in small containers with pull tabs or easy to open packaging such as the following: peanut butter and jelly, Vienna sausages, cans of pork & beans, tuna, roasted peanuts, shelled walnuts, shelled pecans, and protein bars. **Bill Saviers has been taking them half gallons of milk weekly. If you can help getting fresh milk to the Mustard Seed, please talk to Bill.**

Please Help Update the Prayer List

We are updating our monthly prayer list and would like for you to please contact Beth Ann by email or phone if you would like a name to remain on the list. Also, if you would like a name added, please let her know. All other names will be removed until another request is made.
